To C. Ranganatha Rao Saheb, Esq., B.A., B.L.,
Secretary to Government of Mysore,
Development Departments, Bangalore.

Sir,

I have the honour to forward, herewith, a copy of letter No. 912.L.B/26-27 dated 29th October 1926, received from the President, District Board, Mysore together with copies of its enclosures, in the matter of rendering financial assistance to four Adikarnataka Co-operative Societies in the Mysore District referred to therein and to request that the sanction of Government may kindly be obtained at a very early date for utilising the grant of Rs.1,000/- made by the District Board in this behalf.

I have the honour to be,
Sir,
Your most obedient servant,

K H Ramayya

Registrar.

Letter No.912.L.B./26-27 dated 29th October 1926 from the President, District Board, Mysore District, Mysore to the Registrar of Co-operative Societies in Mysore, Bangalore.

****

I have the honour to state that the Assistant Registrar of Co-operative Societies, Mysore proposed that the Adikarnataka Co-operative Societies already formed and to be formed hereafter might be given financial assistance by way of temporary loans or deposits. The details of the scheme have been explained by him in the enclosed copy of his letter dated 25-9-26. The societies that will be given pecuniary aid are noted in the margin.

1. Malligere Adikarnanta Weavers' Co-operative Society.
2. Chikkarasinkere Weavers' Co-operative society.
3. Kadalagere Weavers' Co-operative Society
4. Sathnur Kambli Weavers'Co-operative Society.

The above financial aid is deemed necessary mainly because (1) the societies in question being of recent origin have not developed sufficient capital of their own (2) the Adikarnatakas being poor cannot afford to pay the high rates of interest charged by the Provincial Bank and cannot furnish adequate security.

It is proposed to buy yarn and other necessary raw materials in bulk out of the advances and retail these things to the members of the societies. These advances are recouped once a week or fortnight from the sale proceeds of finished products and the collections so made turned over again for purchasing fresh stock of raw materials. In order to develop the society's own capital the members will be required to pay out of their earnings their share instalments also. It is also proposed to pay back the advances to the Board after a maximum period of two years.

The proposal of the Assistant Registrar was approved by the District Board at their Budget Meeting held on 25-4-1926 and a provision of Rs.1000/- has been made for the purpose in the current year's budget of the District Board of Mysore under "F. Public Debt". This provision has been retained by the Government in their Budget Order No.L.2556-7 L.B.125-25-43 dated 9-9-26 subject to their previous sanction being obtained for its utilisation.

P.T.O.

3

In enclosing an extract from the proceedings of the Meeting of the District Board held on 25-4-26, I request that sanction of the Government may be kindly obtained to the above scheme.

President,
District Board of Mysore.

Copy of D. O. letter No. 45 dated 2 -9-26 from the Assistant Registrar of Co-operative Societies, Mysore.

"The financial help sought is wanted for the four Societies noted below. They are of recent origin and have not developed sufficient capital of their own to get on with their work and it will be a long time before they will accumulate the needed funds. If they will not get any outside help they will not be able to start work until then. Being composed of the poorest classes, though honest and industrious they cannot pay the high rates of interest charged by the provincial Bank nor give them the tangible and substantial securities the Bank insists upon. Government have sanctioned some funds for the financing of such Societies but as they are far from adequate it is thought to supplement them for this District with funds from - District Board. The Societies for which help is now proposed are Weavers' Societies, and the idea is to buy them yarn and other -- necessary raw materials in bulk out of the advances proposed for them and retail them to their members. The members will have either a week's or a fortnight's credit for the yarn etc. purchased by them from the Society and the dues are to be paid by the sale of the finished products at the Shandies; and the money thus collected every week or a -- fortnight will be turned over again for the purchase of a fresh stock of raw materials for supply to the members; and so on. Meanwhile the members have to pay every week or fortnight out of their earnings their share instalments also and thus the Society's own capital will be built up . When this capital grows sufficiently large, or in case help is received from Government funds and at any rate after a maximum period of two years, the Board's deposit amount will be returned. Recommendations have been made only on behalf of such societies as seem likely to thrive."
